THINGS I LEARNED ON THE PLAYA

(FEEL FREE TO ADD)

- THERE IS NO REBAR IN THE FUCK TRUCK
- Fire burns
- so does the sun
- THE CONFLUENCE OF BRILLIANT CREATIVITY & ENGINUITY SALEM FOR THE SAKE OF ITSELF IS A WONDERFUL THING
- Fire tastes Hot
 - it will get messy, there's no way around it
 - embrace the dust
 - be random, it's more fun (plans suck)
- fuck judging
 - SOMETIMES, THE BEST MUSIC IN THE WORLD IS THE SOUND OF A MARCHING BAND, PROGRESSIVE HOUSE, MICHAEL JACKSON, A DRUM ~~CIRCLE~~ ^{CIRCLE} AND A DUST STORM HAPPENING SIMULTANEOUSLY.
 - If you see more than 5% you're missing a lot because you're moving too fast.
 - Running a theme camp is a whole lot of work, and is immensely satisfying. Especially when it's The Lost Penguin.

Just because it's on the playa doesn't mean it's SAFE! But... SAFETY

THIRD!

- Never wear sequin panties for a playa walk

PLEASE EXPLAIN

First day on the playa and starting to settle in.
Enjoying a snow cone on a couch in the shade.
Feeling a little overwhelmed but excited and
full of life. Wondering what the week will
reveal to me. Creation and destruction I presume
but only time will tell what will come in
this crazy world of delirium. Play nice my friends

"PLAY NICE"

ODD NOMENCLATURE FROM THIS:

PLAYAPUS...

Cooling off with a snowcone in the shade on
a couch. I am having a wonderful
experience. I'm glad to be home.

Krusty needs the Dutchess
like a snow cone needs syrup
One is not complete
without the other

I dreamt myself on a rowboat,
navigating a glacial pond. The
waters were dim, not with the
natural detritus of woodland lakes,
but with some thick slime of
industry such as oil or grease.

Looking over the side, I was at
once repulsed by the grime, and
filled with the desire to dive
overboard. Upon looking into the depths,
however, I saw that suspended in
the water were all manner of bladed
instruments - cutlery and tools. I
distinctly remember a hack saw and
steak knives. Then I woke up.

subside sympathy;
sole and harmonious. This
is the place where I apply my grace.
All above well, influx of passion with much
to dwell. FAM 4 LIFE

Let it in & accept it
as you, what ever you don't
love you have the power to change.
Waste not want not!

Silent No More

This week on the playa will be used to heal, to cleanse my soul, to find the strength I need to not only make a very difficult decision (that would impact a family significantly) - but to also carry through with that decision.

I will be silent no more

I will not keep your secrets of deceit

I will not be complicit in your betrayal.

Only through ~~our~~ open communication
can any of us understand & heal.

I could not have chosen to camp next to a better group of people. Keeping us cool with the snowcones and classy with the dark chocolate and wine. And live music! Thank you and much love.

I would like to experience
everything I can, good or bad,
in the time that I have. So that
at the end, whether I sing or shout, the experience made
me smile or cry, I have a knowledge of it all my
life together and now has everything a difference in my
life for me will come once,
so live it up.
