Friday! I've been here since Sunday morning.
What a ride! My first Bonnie Man... everything
came to be... you'd think I am meant to be
here. Bittersweet emotions, new friends and
old friends, much love and friendship, what
a wonderful gift. I am honoured and blessed.

My 4th year has endeared me to
burning men for as long as I can
attend it and have the good health to
and life changing. At 54 years old, my life
is better from being here.

To me, being here has meant a reprimand of my faith
in the humanity of my neighbors. It is a wonderful world
of creativity, free of judgement, full of inspiration.

Love to all, Simon

Thank you
for being here,
all of you. You're
great! See you
next year!

I'M COMING BACK

I wish to be
happier alone

Don't you find it strange that we find it
hard to be alone? It's not that we
don't like being alone, it's that we
don't know how to be alone.

I'M COMING BACK
